President's Message

Hello All.

Well the warm weather is here and the forecast is that it will continue. Good for plant grow if we give them water but not so much for roses. Blooms open faster so many times they are smaller than normal. Always something when dealing with Mother Nature. All I know is that this is perfect weather for weeds.

Nothing much to report so just reminding all that we will be doing a group prune of the Eastman Garden so if you showed up a bit early (maybe 6:30) to help with the pruning that would be awesome. Hoping to see you there.

Hambie Weber.
